OFFICE OF THE
DIRECTOR OF TECHNOLOGY

CHRISTOPHER MOHR

TO: All Parents and Students of Valley Central Middle and High School

DATE: August 16, 2016

SUBJECT: Change in Student Portal Access Information

This memo is being sent to identify changes that have been made to the login credentials for the Student Portal. Please be aware that no changes are being made to the Parent Portal account.

The first change will only affect some of you. If your Student ID has any zeros in the front, they have been removed. Thus,

If your Student ID was: 00012345

Your new Student ID is: 12345

The next changes affect all students. For the Student Portal, your User ID (which is your student ID number) will now be preceded by "vc.". For example:

If your User ID was: 12345

Your new User ID is: vc.12345

Also, to be more consistent, passwords have been changed to match the password you use to get onto the computer when you are in school. We hope that you will find this change of help to you in the coming school year.

If you need any assistance, please contact the Technology Office by emailing asktech@valleycentralschools.org.

Best Regards,

Christopher Mohr
