

January 31, 2019

Dear Families,

It is tradition that each year the East Coldenham Student Council raises money around Valentine's for the **Have a Heart Children's Cancer Society** located in Huntington, NY. Your child can purchase a heart for \$1.00 and write his/her name on it from February 6th - February 14th. They can even purchase a heart for the teacher, friend or family member. There will be a table set up in our lobby each morning for your child to come and purchase their heart(s), or you may fill out the slip below and send it back to school with your child by Thursday, February 14th and we will fill it out for them.

All hearts purchased will be displayed in the main lobby for them to see.

As always, we thank you for your support!

Thank You,
East Coldenham Student Council

S -----

Please give to Mrs. Guidry by February 14th

Child's Name: _____

Name to be place on heart: _____

Enclosed Donation Amount: \$ _____
