

SAFETY AWARENESS

Safety measures for additional traffic outside MS/HS complex

Safety is on the forefront for all of us at Valley Central. The District is aware of the safety concerns many people in our school community have with the Dollar General located directly across from our exit.

The District/ HS has taken the follow actions throughout this process in order to enhance safety both in our complex as well as on Route 17K:

- ⇒ VC HS administration worked with the Town Of Montgomery planning board when this process began. We made requests for a light at this intersection along with a lowered speed limit.*
- ⇒ Reached out to the State DOT.*
- ⇒ Working with the Town of Montgomery Police Department, we have requested to have a speed monitor placed on 17K to make drivers aware of the 40 MPH zone.*
- ⇒ We have reached out to the Town of Montgomery Supervisor to discuss our concerns*

If you have concerns, the following contacts may be helpful:

Town of Montgomery

Mike Hayes

845-457-2600

Town Supervisor

mhayes@townofmontgomery.com

*NYS Department of
Transportation Traffic
and Safety Group*

Joe Hurley

845-437-3320

*NYS DOT Acting Regional
Director*

Todd Westhuis

845431-5750

VC School District

John Xanthis
