RE: Request for Approval of High School ELA Curriculum

Valley Central High School teachers partnered the end of June to complete the writing of ELA Curriculum for grades 9-12. These teachers were kept apprised of the results of the NYS Education Department’s standards revision process. Due to these changes, curriculum written last summer was reviewed and some revisions were made. If approved, this curriculum will be implemented fully in September 2017.

The documents will be available for your review, in the Office of Curriculum and Instruction.
