Hi Kristen,

Here at STAC we use Mankiw's *Principles of Economics* text, which is the complete macro/micro text (he also has *Principles of Macroeconomics*). It's excellent. I have used it for a number of years and I am happy to share my syllabus if you'd like. Also, feel free to reach out if you have any other questions.

Best,
Meghan

Good Morning Ms. Mihal,

I am reaching out to you because I am teaching Econ 101 (Macro) through STAC. I am new to Valley Central HS and am shopping around for a new textbook. Which textbook does STAC use for Macro? Thank you so much for any information you are able to give me.

Best Regards,
Kristen
