

The Superintendent of Schools will keep the Board of Education informed in a timely manner about the financial status of the district. The Superintendent should highlight any deviation in actual fiscal conditions from planned fiscal conditions and offer recommendations to the Board to remedy the situation.

The district will cooperate with governmental agencies and research organizations as required by law for data concerning the fiscal operations of the district. All such financial reports shall be prepared by the School Business Official and submitted from him/her through the Superintendent to the Commissioner of Education.
