

All District staff with district-issued cell phones shall use the cell phone for school business use only. The following employees shall be furnished with cell phones paid for by the District:

District Attendance Teacher/Homeless Liaison (1)
Buildings and Grounds Department (8)
Technology Department (19)

All District administrators and members of the Valley Central Administrators Association, while not issued a District-owned cell phone, are required to possess a cell phone at all times so that they can be contacted in case of a school emergency.
